### **Digital Planet Team Attains Cisco Select Certification**

*Support, Sales & Technology Staff All Participate*

MECHANICSBURG, PA, October 12,, 2011 - - South Central PA based Digital Planet announced today that members of its support, sales and technology staff have completed the requirements and testing for the Cisco Select Certification - Small Business Specialization level.

“This is an important step in the ongoing education of our staff to make certain that we achieve the latest credentials to best serve our customers,” states Rick Gurba, President. Gurba continues, “For our customers, it ensures that Digital Planet is being proactive in our quest to provide the best products and services.”

“Partnering with Cisco Systems and being Small Business Select Certified allows Digital Planet Inc. to gain access to more advanced product offerings and helps our customers be as productive as possible,” states Ed Lawson, Business Development Team Leader. Lawson continues, “it also provides us with access to top notch levels of service and support for our customers.”

About Digital Planet
